

MarvellousMe!

In the school we use an app called MarvellousMe.

MarvellousMe is a light-touch app that our staff use to share information with you about your child's/children's learning and skills development.

The MarvellousMe app is free, fun and simple to use. It will help to:

- Inform you of what your child is learning in their keygroups at school
- Understand ways to support at home
- Share messages about your child's key group swiftly

You will be able to use MarvellousMe on your smartphone, tablet or online, and can easily share it with partners, carers and family members.

When your chil/ren start with us you will receive a letter containing all the details of how you can sign up to MarvellousMe, and your special join code.

You can find out more at www.marvellousme.com. We think you will love it!
